Front Cover: Town Hall, Gilmanton, New Hampshire

In 1981 Harold Jordan, artist and resident of Gilmanton Iron Works, sketched the names of all Townspeople to form the branches and trunk of the Town Tree, and the names of the original proprietors of the Town to form the shrubbery. Mr. Jordan donated his sketch to the Gilmanton Historical Society. Copies may be obtained from the Historical Society, or from the Town Hall Office for 25 cents each, or whatever you wish to donate to the Historical Society.

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

The polls will be open from 10:00 A.M. to 7:00 P.M. to the inhabitants of the Town of Gilmanton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Gilmanton on Tuesday, the ninth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

1A. Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from Property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a N.H. resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000, and own assets of \$30,000 or less, excluding the value of the person's residence. This question to be voted on by Ballot.

1B. To see if the Town will authorize the Planning Board to adopt regulations for the review of site plans for the development of property for non-residential uses and for multi-family dwelling units (other than one and two-family dwellings.) Before adopting such regulations the Planning Board must spell out specific procedures it will use and standards which site plans must follow, and hold a public hearing on the proposed regulations. This question to be voted on by Ballot.

THE FOLLOWING ARTICLES WILL BE ACTED UPON AT THE GILMANTON ELEMENTARY SCHOOL ON SATURDAY, MARCH 13, AT 7:30 P.M.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriation of the same. (\$123,220.00)

3. To see if the Town will vote to authorize the Selectmen to insure debts for Temporary Loans in anticipation of Taxes.

4. To see if the Town will vote to authorize the Selectmen to accept any State or Federal monies that may be available to the Town.

5. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept any and all grants of disaster aid from the Federal and/or State governments as may become available during the year, and to expend such funds for the purposes for which they are received, and to do all things necessary for the purpose of this article.

6. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars for the Civil Defense organization for the ensuing year, with full realization that should a major emergency be created, more money will have to be used for said purpose. (\$200.00)

7. To see if the Town will vote to raise and appropriate the sum of

Fifty-eight Thousand Three Hundred Forty-Five Dollars for the maintenance of the Gilmanton Police Department, of which sum \$10,000.00 will be withdrawn from the Revenue Sharing Funds and \$48,345.00 will be raised by taxes. (\$55,877.00) (\$2,468.00 not recommended by the Budget Committee.)

GILMANTON RESCUE SQUAD

The Gilmanton Rescue Squad, during the year 1981, responded to approximately 82 emergency calls. These calls were of all types ranging from first aid to all fires within the town. During the past year we had 7 new members join the Squad. These members consist of 3 Emergency Medical Technicians and 4 advance First Aid Technicians. We also now have 2 members who are Cardiopulmonary Resuscitation Instructors (CPR). So please feel free to ask the Squad to conduct a class in CPR for you.

We wish to thank the people of the town for their continued support and we are looking ahead to another year of making the town of Gilmanton a safe place to live.

Respectfully submitted,

Dennis H. Straight, Captain

In November, 1980, the Library received a gift of \$100.00 from the Chrystal Lake Association with the suggestion that it be expended for children's books. As the Library remains closed for the winter season, this gift was invested in a savings account until the opening the following spring. Combining the gift with other Trustee funds, I was able to purchase twenty children's books, plus filing kits. This donation is very much appreciated.

GILMANTON CORNER FIRE DEPARTMENT

Annual Report

The Gilmanton Corner Fire Department has responded to 87 emergency assistance calls for 1981 and Engine 1 has been out on 21 special service calls and training sessions. The following is a breakdown of the emergency calls:

FIRES	
Chimney	8
Structure	4
Car	3
Town Dump	4
Grass/Brush	5
Mutual Aid	
Cover Truck	9
Structure	12
MEDICAL AID	17
MOTOR VEHICLE ACCIDENTS	12
MISCELLANEOUS	<u>13</u>
TOTAL INCLUDING NON-EMERGENCY CALLS	108

Most responses were a combined effort between the Corners Fire Department, the Iron Works Fire Department, the Gilmanton Rescue Squad, the Belmont Fire Department, and the Center Barnstead Ambulance Crew. We would like to thank all of these fine organizations for their help. We would also like to thank you for your thoughtfulness and contributions throughout the years. Have a nice and SAFE year. On a business note many of you may be familiar with the fact that the Corners Fire Department purchased a used pumper from the New York Fire Department and are in the process of renovating it to replace our present Engine 2 which because of mechanical difficulties has been out of service fairly often and is expensive to keep repairing. The "new" truck can pump more water faster and after we put a new water tank on it then it will be much better than the present Engine 2.

The metal for the new water tank is going to come from the Tank Truck which we are going to sell because we have no place to keep it and we can't afford to fix the automatic transmission which went bad last year. We also have an army ambulance which is going to be a utility truck and a forest and brush fire truck which is all wheel drive. It takes a lot of money and time to keep all the trucks in service which is an important reason for you to send contributions.

Thank you,
Jim Derby, Treasurer

GILMANTON POLICE DEPARTMENT

To the Citizens of the Town of Gilmanton, to the Board of Selectmen and to the Staff of the Town Office:

I wish to express thanks for myself and Officer Stevens for the cooperation and support for the year 1981.

I wish to express my thanks also to the Belknap County Sheriff's Department, the New Hampshire State Police and the officers of the surrounding towns for their assistance.

The year 1981 has been unique to the Town of Gilmanton as far as Law Enforcement is concerned. The formation of the Town's first full-time Police Department has presented many problems, not the least of which has been trying to form the Department while doing the police duties required by statute. These problems have been met only with the cooperation of all those listed above.

Eight hundred seventy-five cases were logged in the nine months since April 1, 1981:

Calls for service	419	Littering complaints	11
Aids to other Department	65	Harrassing phone	
Dog calls	89	calls	7
Thefts	49	Assaults	4
Motor Vehicle accidents	39	Criminal Threatening	4
(3 fatalities)		Missing persons	4
Domestic disturbance calls	28	Hazardous Material	
Burglaries	25	complaints	2
Alarms answered	21	Forgery	1
Criminal tresspass	19	Summons issued	51
Juvenile complaints	15	Arrests made	22

The time spent in investigating crimes and accidents, doing reports, preparing for court, and prosecuting is not available because of the volume.

REPORT OF THE GILMANTON CONSERVATION COMMISSION

Commission activities during 1981 included the following:

- 1. Dredge/Fill Permit Reviews:** Most of the proposals reviewed by the Commission posed little threat to town wetland areas. Objections were raised to three proposals involving wetlands in Crystal Lake, Rocky Pond and Shellcamp Pond. In each case the State Wetlands Board agreed with the Commission's findings and denied or approved only modified versions of the applications.
- 2. Farmland Preservation:** The State Planning Office reported that there has been a considerable loss of farmland in Gilmanton over the past 20 to 30 years. The Commission is studying ways to protect farmland including purchase or transfer of development rights, land use planning (Master Plan and Zoning), and removal of local impediments that tend to discourage farming.
- 3. Prime Wetlands:** Recent State regulations give towns the opportunity to designate prime wetlands. These are areas which would receive special consideration by the State Wetlands Board during review of dredge/fill permits. The Commission is considering the need for designating prime wetlands in Town, and will be developing criteria for classifying wetlands as prime areas deserving special protection. Final approval of all prime wetland designations would have to be obtained at Town Meeting.
- 4. Gypsy Moth Spraying:** The Commission recommended to the Selectmen that the Town not be sprayed to control gypsy moths. Reasons for this decision included prohibitively high local costs, questionable long-term effectiveness of spraying to control gypsy moths, and ecological risks to the forest biological community.
- 5. Acid Rain:** The Chairman presented a slide show on acid rain at the annual Crystal Lake Association meeting. Although a serious problem exists in some waters in the State due to acid rain, the pH in Crystal Lake appears to be relatively unchanged in recent years based on the monitoring by Dr. Reifsnnyder for the Association.
- 6. Town Forest:** The Commission was presented with a plan prepared by State forestry personnel for management of the Town Forest. In addition to immediate cutting and timber sales the plan discussed measures to improve or maintain wildlife, recreation and historic values. Although responsibility for the Town Forest rests with a special Forest Committee appointed by the Selectmen, the plan called for participation by the Conservation Commission.

The Conservation Commission will continue its role in protecting the natural resources in Gilmanton. Meetings are held on the third Wednesday of each month at 7:30 P.M. at the Town Hall. Public participation is welcomed.

Respectfully submitted,
Gordon W. Russell, Chairman

GILMANTON PLANNING BOARD 1981 ANNUAL REPORT

The Planning Board, composed of seven members and three alternates, meets regularly on the second Thursday of each month at 7:30 in the Selectmen's office at the Town Hall. Work sessions are sometimes held between regular meetings. All meetings are open to the public, and notice is posted in advance. Minutes of the meetings are a public record and are available for inspection in the Town Clerk's Office.

The subdivision activity during 1981 remained relatively constant after experiencing a decline during 1980. This still reflects the depressed housing market conditions as a result of high interest rates.

During 1981 the Planning Board and the Master Plan Committee working in conjunction with the Lakes Region Planning Commission (LRPC) completed the Town Master Plan. In summary what has transpired over the last few years has been a community wide survey, followed by an extensive compilation of data and information, and finally the writing of the actual text of the document. During this latter stage the LRPC was contracted to perform technical assistance which was certainly the necessary ingredient to finalizing the Plan. The Planning Board and Master Plan Committee throughout the summer and fall months held various public hearings to solicit citizen input. Some of the important issues that were discussed included revising the Town's regulations concerning mobile homes based upon recently enacted State Legislation and the development of additional new zoning districts to address new and different types of uses. It should be noted that the Master Plan is a document to be used by the Selectmen, Planning Board, Conservation Commission, Budget Committee, and local civic organizations to plan for the Town's future. It is not an ordinance or a regulation, rather it's a guide to the future.

One of the recommendations of the Master Plan is that the Town adopt Site Plan Review procedures. Under this procedure the Planning Board would review plans concerning only multifamily or commercial development. The Planning Board will be conducting informational hearings to explain the process.

Copies of the Master Plan will be available through the Town Clerk's Office. A limited number of plans will be prepared, however summaries of the major findings and recommendations will be available.

LAKES REGION PLANNING COMMISSION

While development has slowed a bit in the past year, most Planning Boards have reported a continuing high rate of subdivision activity. It is likely that when the national economic picture brightens, the Lakes Region will experience growth as it did during most of the 1970's.

The Lakes Region Planning Commission assisted all communities this year by sending two informational packets concerning required changes (SB 235) in subdivision regulations. The Commission also prepared and distributed an example of subdivision regulations that displayed recent thinking on ways to cope with condominium conversions and strip development. Because of SB 279, which forbids discrimination against mobile homes, the LRPC used its newsletter and meetings to explain ways in which towns could comply with the legislation. The LRPC is working with the Municipal Association to correct those ambiguities in the mobile home bill which have caused our towns the most trouble.

The Commission's third Economic Profile was prepared this year. It shows what's happening to town tax rates, identifies how public monies are being spent and explores changes in the various sectors of the Lakes Region economy. The Commission also published a report on the intentions of the region's largest employers.

The Commission has worked to clarify what is expected of municipalities in waste management. A new districting law (HB 944) requires that all towns join a solid waste district. The LRPC has recommended that there be changes in the legislation, seeking a fairer funding formula and realistic implementation deadlines. The Commission also worked for smaller district sizes in rural areas where such districts are most cost-effective.

The LRPC is currently preparing an aquifer protection handbook. Aquifer protection has been a controversial issue in at least three Lakes Region towns during the past year. Only one town has taken specific action to protect its aquifer resources.

The Commission's meeting topics have been tailored to meet the informational needs of most member communities. Topics include what to do about the solid waste act; the advantages of building codes; methods for evaluating groundwater resources; public action to control gypsy moths; and downtown revitalization.

Finally, the Commission directly assisted its members on 140 separate tasks, many requiring several contacts and usually involving research, night meetings, site inspections, map preparation and report writing.

REPORT OF THE GILMANTON PARKS & RECREATION COMMISSION - 1/1982

After many months of negotiations with the Gilmanton Iron Works Fire Department, and agreement was signed by this Commission allowing them to construct a large pole barn and refreshment stand at Crystal Lake Park. The total cost of this structure will be paid by the GIW Fire Department. A lot of volunteer hours and hard work enabled the structure to be up by the Fourth of July weekend. Therefore, the Commission organized a grand opening of the park on July 5th with a delicious chicken B-B-Q prepared by Ralph Forsyth along with a concert by the Epsom band. Although it poured buckets, everyone who attended enjoyed their meal and musical accompaniment. In honor of Gilmanton's senior citizens, 1/2 price tickets were available. It was nice to see so many attend.

The bandstand was reroofed and brightened up with a fresh coat of paint and the old carnival booths were removed. With additional filling and grading of the parking lot, the park now provides off-street parking and safe walking paths to the beach area. At the end of the park season, the ballfield was leveled and graded and will be reseeded in the Spring.

Some of the activities that were held at the park during the 1981 summer season were: swimming lessons, Jr. Frisbee and Dog Frisbee contests, weekly craft lessons and a concert by the U.S. Air Force Band of New England. Over 200 people attended this concert and arrangements have been made for them to return this year for a Sunday afternoon concert in July.

A large swing set was set in place near the beach and six swings were donated to the park in memory of Paul Downing by his family. The Commission also provided a bus and tickets for 30 children and 10 adults to attend a Red Sox baseball game at Fenway park, and the second annual Halloween party was given at the elementary school for over 100 children. Refreshments and prizes were given to everyone who attended in costume.

The Commission realizes the burden of the taxpayer and in considering this ,has reduced their budget this year. However, we feel strongly that recreation and special activities are vital to the spirit of the community. We will, therefore, endeavor to continue to provide safe and attractive facilities for family recreation and events of interest for all ages.

REPORT OF THE SOLID WASTE COMMITTEE

Your Solid Waste Disposal Committee is now faced with a pending mandate from Concord called The Solid Waste Districting Act.

This Act would split the state into disposal segments. The Act was passed in a rush and without much thought. We believe that this winter's session will change the time schedule of the Act. So your committee is watching and waiting.

We are also making new temporary plans pending the result of the Districting Act. This will require some separation of waste for recycling, such as glass and aluminum cans and new options of transfer for next fall.

Just a word about our costs. Our waste tonage for the last two years was 763 one year and 760 tons the other. But cost in 1980 was \$33,072 and approximately \$39,000 in 1981. This shows us an increase in costs per ton from \$44.30 to \$51.00. high by most standards. 1982-83 should show improvement.

Your Committee stands ready to talk to all concerned residents.

**REPORT ON EXAMINATION OF
ROBERT F. TIBBETTS - TAX COLLECTOR
OF THE TOWN OF GILMANTON
For The Period From January 1, 1980 to December 31, 1980
LETTER OF TRANSMITTAL**

Board of Selectmen
Town of Gilmanton
P.O. Box 10
Gilmanton Iron Works, New Hampshire 03837

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Robert F. Tibbetts, Tax Collector of the Town of Gilmanton which was made by the Division under the provisions of R.S.A. 71-A:19. This examination covered the period from January 1, 1980 to December 31, 1980.

One of the enclosed audit reports must be given to the Town Clerk to be retained as part of the permanent Town records.

General Comments

DUTIES OF THE TAX COLLECTOR

R.S.A. 41:35 states in part, "Every collector of taxes shall keep in suitable books a fair and correct account in detail of the taxes due, collected, and abated, and of all property sold for non-payment of taxes, which books shall be public records. A tax collector shall pay all the money collected to the town treasurer at least on a weekly basis, or on a daily basis at the discretion of the commissioner of revenue administration. Such daily or weekly payments may be deferred until the tax receipts total \$500. He shall make final payment to the town treasurer of all moneys collected by him, within 10 days after the close of the town's fiscal year."

Our review of the Tax Collector's records showed that the Collector was still remitting December 1979 and January 1980 collections to the Treasurer in April 1980. The Tax Collector remitted to the Treasurer approximately \$412,040 from January to April 20, 1980. Of this amount \$354,934 can be identified as having been collected in 1979. These figures were obtained by verifications sent to the taxpayers and by obtaining copies of all checks deposited into the Tax Collector's checking account during January and February 1980.

As a result of the late deposits into his account and the late remittances to the Treasurer, the Tax Collector, on January 19, 1981, was notified by the Commissioner of Revenue Administration that he was to make daily remittances to the Treasurer.

In connection, with this, the Town Treasurer has arranged with the Tax Collector the direct deposit of tax collections into the Town's general checking account.

In addition we noted many instances whereby the Tax Collector had not made timely postings to the property and resident tax warrants. There were approximately 35 property tax payments made between January and September 1980 that were posted to the warrant after September 3, 1980. There were also 140 resident tax payments that were never posted to the warrant by the Tax Collector.

Tax Sale - General: The Tax Collector had errors in his report to the register of deeds of the taxes sold at the tax sale. They can be classified as follows:

- Sold to Town but not reported to registry.
- Sold to Town but not in record of tax sale book.
- Sold to Town but not advertised for sale.

The Tax Collector should be more accurate in the reporting and advertising of his tax sale. In addition to the above, there were also addition errors as well as an overpayment of \$632 made by the Town, when it purchased at the 1980 tax sale.

Tax Sale - Resident Taxes: R.S.A. 80:19 states in part "The real estate of every person or corporation shall be holden for all taxes assessed against the owner thereof;"

This section provides a method of enforcing the collection of resident taxes in addition to property taxes. In the past, the Town of Gilmanton Tax Collector has not included unpaid resident taxes of property owners in his tax sales. We recommend that this be done in future tax sales.

Tax Deeds: In our review of the tax sale records we noted that parcels of property for the levies of 1967 through 1977 have not been deeded to the purchaser at tax sale in accordance with R.S.A. 80:38 "Tax Deed" which states, "The collector after two years from the sale shall execute to the purchaser, his heirs or assigns a deed of the sale of land so sold and not redeemed."

It is the responsibility of the Tax Collector to deed such property within a reasonable time after the two years have elapsed and we suggest that this be done as soon as possible.

Collection of Interest: R.S.A. 76:13 stipulates that interest at 9 percent per annum shall be charged and collected upon all delinquent taxes except resident taxes.

During 1980 the following amounts of interest were not collected by the Tax Collector:

1979 Property Tax	\$3,352
1980 Property Tax	316
	<u>\$3,668</u>

Resident Tax Penalties: R.S.A. 76:13-a stipulates that a penalty in the amount of \$1.00 shall be added to and collected as incident to any resident tax not paid in full on or before December first following the assessment of the tax.

At December 31, 1980, the Tax Collector had not collected \$170 on 1979 and 1980 resident taxes.

Uncollectible Checks: R.S.A. 80:52-b states, "If any person tenders a check for the payment of any taxes levied by the tax collector and the check is returned to the tax collector as uncollectible for any reason, such taxes shall be deemed not paid and the person tendering such check shall be subject to applicable tax delinquency penalties, protest and collection charges."

In addition R.S.A. 80:56 states, "Whenever any check issued to a city or town for the payment of taxes, . . . or for any other municipal services is returned to the city or town official as uncollectible, the city or town shall charge a fee of \$5 plus all protest, band and legal fees in addition to the amount of said check to the person who issued such check to cover the cost of collecting the debt that the check was issued to pay. The \$5 fee together with any protest or legal fees collected shall be for the use of the city or town."

The Tax Collector's records did not indicate that the \$5 fee and other chargeable fees were collected, nor was there any indication in the warrant and cashbook that checks were ever returned as uncollectible. There is evidence, however, that several checks were returned as uncollectible. Adjustments did not appear to be made to the warrant which would indicate that these taxes were deemed not paid and were, therefore, uncollected. In addition, interest was not collected on those delinquent property taxes that were paid with uncollectible checks.

Collections Not Remitted: Our audit reveals that at December 31, 1980 the Tax Collector had not remitted a net amount of \$2,877 which had been collected by him during the year. The amount collected, not remitted is calculated as follows:

Taxes Collected, Not Remitted:	
1980 Betterment Assessment	\$ 175
1979 Property Taxes and Interest	239
1978 Property Taxes	72
1979 Resident Taxes and Penalties	53
1979 Redemptions and Interest	548
1976 and Prior Redemptions	502
	<u>\$1,589</u>
Add: Excess Debits:	
1979 Property Taxes and Interest	\$2,373
1976 and Prior Redemption	102
	<u>2,475</u>
	\$4,064
Less: Excess Credits:	
1980 Property Taxes	\$ 750
1980 Resident Taxes	200
1980 Betterment Assessments	90
1979 Resident Taxes	60
1979 Redemptions	19
1978 Redemptions and Interest	68
	<u>1,187</u>
Net Collections, Not Remitted	<u>\$2,877</u>

Other: Our audit revealed that the Tax Collector made refunds of overpayments of taxes to taxpayers.

There is no statutory provision which allows a Tax Collector to refund moneys for any purpose. In fact, R.S.A. 41:35 stipulates that the "... tax collector shall pay all money collected to the town treasurer. . . ". The Tax Collector should remit all moneys collected to the Town Treasurer and should, in the case of overpayments, notify the Selectmen that the taxes were overpaid. The Board of Selectmen would then direct the Town Treasurer to issue a refund check.

In addition, we found that added or supplemental warrants were not always committed on a timely basis. The Tax Collector was given lists of taxes to collect and was not always given the warrant.

The 1979 property tax warrant was not given to the Tax Collector at the same time as the warrant and the two did not agree in total. The warrant list totaled \$858,587.87 and the commitment was \$857,985.34.

Conclusion: The provisions of Chapter 71-A, section 21, require that the auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

AUDITOR'S OPINION

Board of Selectmen
Town of Gilmanton
P.O. Box 10
Gilmanton Iron Works, New Hampshire 03837

We have examined the summary of warrant and record of tax sale activity of the Tax Collector of the Town of Gilmanton for the year ended December 31, 1980. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned summary schedules present fairly the activities of the Tax Collector of the Town of Gilmanton for the year ended December 31, 1980 in accordance with R.S.A. 41:35 of the Revised Statutes Annotated of the State of New Hampshire.

SCHOOL WARRANT
The State of New Hampshire

To the inhabitants of the School District in the Town of Gilmanton qualified to vote in district affairs:

You are hereby notified to meet at the Gilmanton School in said District on the 14th day of April, 1981 at 7:30 P.M. in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and truant officer, and fix the compensation of any other officers or agents of the district.

2. To hear the reports of the Agents, Auditors, Committees of Officers chosen, and pass any vote relating thereto.

3. To choose Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

5. To transact any other business which may legally come before this meeting.

1981
ANNUAL SCHOOL DISTRICT MEETING
Town of Gilmanton
GILMANTON ELEMENTARY SCHOOL APRIL 14, 1981
at 7:30 p.m.

Pursuant to the attached Warrant, a meeting of the School District was held at the time and place therein stated.

Meeting called to order by the Moderator, George Roberts, and the Warrant was read.

1. Voted and seconded that the salaries of the School Board and other officers of the district for the 1981-82 school year shall be as follows:

Moderator	\$5.00
District Clerk	5.00
Chairman of the school Board	100.00
Members of the School Board	
(\$85.00 each)	170.00
District Treasurer	300.00

2. Voted and seconded that the Agents, Auditors, Committees and Offices shall be accepted as printed in the 1980 Town Report.

3. Voted and seconded that we pass on the next article in the Warrant at this time.

4. David Fillion made a motion for the district to raise and appropriate the sum of \$850,287.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

Elaine Forst explained the \$10,054.00 increase over the Budget Committee's proposal:

Acct. #1100-120, to add the sum of \$1,000.00; the increase is intended to provide the substitutes in the district.

Acct.#1100-561, by adding the sum of \$6,701.00, the increase is intended to provide for the actual tuition for Gilmanton high school students at Gilford Middle High School.

Acct. #1100-564, by deducting the sum of \$1,232.00 from the rental for Gilmanton high school students attending Gilford Middle High School.

Acct. #2311-110, by deducting the sum of \$180.00, the decrease is intended to keep school board salaries at their present level.

Acct. #2317-380, by adding the sum of \$1,650.00, the increase is intended to provide for a professional audit of the district's books.

Acct. #2320-351, by adding the sum of \$615.00, the increase is intended to provide for legal assessment for School Administrative Unit 30.

Acct. #2542-610, by adding the sum of \$1,500.00 to provide for custodial supplies.

David Fillion made an amendment to increase \$10,054.00 over the Budget Committee's proposal.

This was voted, seconded and adopted.

Motion made by David Fillion and seconded that the sum of \$860,341.00 be raised and appropriated for the support of schools, the salaries of school district officers and agents, and for the payment of statutory obligations for the district. Voice vote, motion passed.

A motion was made for the meeting to adjourn at 8:15 p.m.

Respectfully submitted,

To the Members of the School Board,
Gilmanton School District,
Gilmanton, New Hampshire

July 27, 1981

We have examined the combined financial statements and the individual fund and account group financial statements of the Gilmanton School District as of and for the fiscal year ended June 30, 1981, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund and account group financial statements referred to above present fairly the financial position of the Gilmanton School District at June 30, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Gilmanton School District. The information has been subjected to the auditing procedures applied in the examination of the combined, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

There were a total of 29,461 lunches served with milk, and increase of 586 over 1980-81 and an additional 6532 pints of milk were used by students at a charge of 8 cents under the Special Milk Program. Lunches were served 180 days with an average daily participation of 162. Each lunch cost an average of \$1.1286 to serve. This does not include the value of government food used. The program utilized about \$4,728.00 (wholesale value) in government food donated.

The kitchen staff headed by Joanne Patch, and ably assisted by Bernadette Tibbetts and Jeannette Stockwell works very hard to control expenses and have certainly been responsible for the success of the program.

Dear Citizens:

In view of the previous decade, this last year has been a period of great stabilization for our school district. Teaching and support personnel turn-over has been at a low level, and the growth in student populations which seemed apparent in the last 1970's never really materialized.

The battles of energy, curriculum revision, accommodation of student populations, and physical plant adaptability have been waged with distinct success.

The struggle to offer appropriate education to our handicapped children has just begun and it is difficult to see, at this time, how we shall do this at a realistic cost to the citizens who financially support our schools. Your administrators and teachers are torn between the desire to provide good educational experiences for these children, yet on the other hand, are concerned that the concomitant costs will cause us to cut back on programs for the balance of the young people we serve.

As your superintendent for the past 9 years, I am frankly not sure how we will manage this but will promise you that we will make every effort to educate the young people of this community without straining its resources.

Cordially yours,
Robert W. Musgrove
